

# What would you do if you were given a million dollars?

39 3 4

## Chapter 1 by Meghan Tray

If I were given a million dollars, I would save it for when I actually need it.

## Chapter 2 by Draeve

But when would I really need it? For college? For when I'm in debt? Besides, if someone gave me a million dollars, what are their intentions?

But, if I were given a million dollars, genuinely, I would use it to travel the world, seeing the sights that I've always wanted to see. After I've had enough, I would head back to my life, and donate the rest to charity.

## Chapter 3 by Cat4055

I would take over the world, who knows how, but I would.
